

"Children First" Christian Preschool

Welcome to Preschool!

Hello and welcome to preschool! We are off to a great start. It's been so fun to meet everyone and start to get to know the families! We appreciate your enthusiasm for preschool- it is shining through your children!

Each month your child will bring home a calendar and newsletter in his/her bag. We ask that you post this somewhere in your home where it is easily visible. We plan a lot of special days to make learning fun. These days could include things like wearing a certain color, bringing something from home, or counting vehicles on the way to school. Your calendar will also include important dates for activities outside of our normal classroom routine. Be sure and check this daily.

Wondering what your child is doing in class? We have a daily blog we update on class happenings. This is posted after class on a daily basis. If you do not have access to internet and would like updates in your child's cubby- let us know and we can make arrangements. See the "Blog" note below for more info!

Website and Daily Blog

To access our preschool website use the following web address:

www.flclittlefalls.org/preschool.html

The website is very informational. You will find a color copy of our current newsletter and calendar, important dates, registration forms, and our daily blog. Once you are at the website scroll down and below the Jesus' Gems box there is a link to our blog. Click the link and bookmark it to your computer- that way you can view it each day your child comes to school and you can even make comments! We will post our daily happenings as well as what your child had for snack. Reminders will also be posted. Check it out!

Welcome Pat!

We would like to extend a great big WELCOME to Pat Moller to our staff. Pat will be teaching the Jesus' Gems PM class and assisting in the Noah's Animal's class on Tuesdays & Thursdays. Becky Nelson will continue to assist in the Jesus' Gems AM class. Pat comes to us with an extensive background in teaching. She has a degree in Elementary Education from St Cloud State and has been subbing in the school district for many years. Most recently Pat has been subbing for Sarah while on Vacation and Maternity Leave. We are so excited to have her on staff. Be sure and welcome her to our preschool family!

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

Matthew 19:14

Mor

riso

"Children First" will be having a booth at Kid's Day again this year! "Give Us a Hand" will be the booth theme again as we are painting hands to make a quilt for Habitat for Humanity. Stop out to the fairgrounds on Saturday September 26th from 9am-11:30. There will be other booths geared towards children and families and its FREE! What can be better than that?

Bathroom...

Because our bathroom facilities are not located with in our classroom we ask that you please encourage your child to use the restroom prior to entering the classroom. During class we will take scheduled breaks to the bathroom. Even if your child has used the restroom prior to coming to school it has been our experience that many children will need to go again ten minutes in to class. If they go right before class this helps! Thanks so much for your help.

God's Peace, 
Sarah,
Becky,
Gail &
Pat
