Not getting announcements?

- Kylie sends a parent/teen email (with emails she has) monthly with the calendar and events. Not on the email list? Let the office/Kylie know! This is the best way to keep in the know!
- The "First Lutheran Youth" Facebook page as well as our Church website, under the YOUTH tab, is up to date with any announcements and the calendar update each month.
- We have joined the app Team Reach as a youth group. To get signed up all you need to do is download the free app, type in your profile info, and put in our code FLCSS2022. This is a good way to always have the schedule as well as contact Kylie directly through the messages function with any Questions.
